ST. CLAIR THAMES STUDENTS INCORPORATED

Welcome and thank you for your interest in student clubs. We at Thames Students Inc. (TSI) believe every student should feel welcome within the St. Clair College (SCC) community and connected to campus life. The best way for you to network, meet other students and have fun is to get involved.

TSI depends on your involvement; the opportunities for you to get involved are endless, clubs being an integral part. Student clubs are essential to the culture of post-secondary experience - they play a role in promoting student life at St. Clair College, fostering a sense of community and belonging for students.

There are benefits in being a ratified club; some noteworthy services offered to these clubs are poster advertisements, startup funds, club recognition, space bookings, and much more. The Student Centre is the one-stop-shop for student club leaders on campus where they are provided with the tools to succeed.

CLUB POLICY

Thames Students Inc. supports the creation and activities of student based clubs through financial, administrative, and fundraising support.

The purpose of student based clubs is to promote the growth and awareness of students in their program of study or any other program offered at St. Clair College. No club shall exclude any St. Clair College Student, either directly or through inference by either its name or constitution. Clubs that include the name of a program or field of study in their name shall be understood to not be excluding any St. Clair College student.

Any off campus events must be approved by Thames Students Inc.

The TSI Board of Directors shall be the final authority in deciding if a proposed club receives ratification. The only acceptable use of these monies is for club activities and events that provide a benefit to the students of St. Clair College.

All student clubs must adhere to the club format and rules as laid out in the Thames Students Inc. Club Manual; Clubs may only be ratified once every academic year.

CLUB REGISTRATION

All clubs, *both new and renewing*, must register at the beginning of each academic year by completing requisite documentation in order to become a sanctioned club on campus. If the Club fails to provide completed documentation before deadlines, the Club will not be recognized and will not receive privileges of a TSI-certified Club.

A Club may register twice annually: Once in October; the other in February. *Please note that if the Club chooses to register in October, the Club does not need to re-register in February.* All Club years will terminate on April 30 of a given year, no matter whether they registered and commenced in October or February.

All forms required to register a Club are available in this Manual. Clubs are required to submit their Registration documentation no later than **4pm (EST), on the Friday, October 7th 2016 or Friday, February 10th 2017.**

There are a number of requirements that must be met in order for all clubs to be ratified. According to the TSI policy a club must:

- I. Have a membership that is open to ALL students at St. Clair College regardless of age, race, religion, ability, gender, social status, or sexual orientation. *Make sure this is clearly stated in the club constitution.*
- II. Submit the following documents:**
 - a. Club Constitution**
 - b. Membership List(s)**
 - c. Membership Fees**
 - d. Statement of Rights and Responsibilities**
- III. Have at least seven members, two executive members, and one Faculty Advisor.
- IV. Members must pay a reasonable and justified membership fee of whatever is feasible per student, each semester (Example \$5 per club member).
- V. Must have the Faculty Advisor and one student member as a signing authority on account. The phone extension of the Faculty Advisor must be supplied.
- VI. The members that sign the Statement of Rights and Responsibilities form act as the executive of the club and are also financial officers of the club.
- VII. Clubs should have a representative present at class representative meetings held by Thames Students Inc.

When a club registers and is approved, they are considered a sanctioned club and begin with a “Good Standing” designation. This provides clubs access the many services TSI offers. Should a club not adhere to TSI club policy the club will be up for club dismissal and pending the severity of club conduct possibly de-sanctioned (dissolution of the club). Privileges and services are denied to clubs in up for club dismissal.

START-UP FUNDS

Each club that becomes ratified is eligible for a startup allowance of \$250.00 to their account. This is offered to help clubs get established and can be used for the purchase of stationary, club clothing/swag or other benefits to the club membership.

Clubs that are looking for clothing or swag must deal with the Programming Coordinator for approval on all designs. Also all of these items will be purchased through TSI in order to provide a product that is within the guidelines of TSI by-laws.

The club is then eligible for additional funding of \$250.00 each semester, totaling \$500.00 per academic year; provided they follow the above requirements of being a club. The monies available in the fund must be put toward delivery of events, tournaments, special projects, forums, or some form of campus activity. Activities should promote St. Clair College and the Club, and should encourage the involvement of the General Student Body.

MEETING REQUIREMENTS

Clubs must hold two meetings per semester. These meetings will be documented by minutes being taken and approved. The approval of the minutes will be done by at least one of the Executive and the Faculty Advisor. Meeting schedule with dates, times and location must be submitted for each semester to TSI Programming Coordinator. Clubs meeting minutes must be submitted to TSI in a timely manner following each club meeting. The club must appoint one consistent member to chair each club meeting. Clubs must also meet with the Programming Coordinator once a month to go over any concerns issues either party may be having. These meetings will be scheduled and will require attendance of at least one representative from each club.

GOOD STANDING (RATIFIED CLUB)

A TSI club maintains its “Good Standing” through the following actions:

- Register the club through Thames Students Inc.;
- By submitting a club application within a constitution outlining the official club name, goals, and objectives
- Keep TSI informed of any changes within the club;

- Follow TSI policies in event planning and implementation at all times;
- Follow poster and advertisement policies at all times;
- Practice risk management strategies at all times;
- Adhere to club banking policy;
- Act as a TSI ambassador and in the best interest of TSI community at all times.

CLUB DISMISSAL (LEAD TO DE-RATIFICATION)

The following will be the cause for club dismissal:

- Violation of the Club Ratification Policy;
- Violation of any procedures indicated in the club manual;
- Abuse of any TSI services or privileges, including poster boards violations and general abuse of meeting spaces;
- Not having at least one activity per semester;
- Failure to submit a club event or function report within one week of holding a fundraiser event;
- Not abiding by the club's constitution as ratified by TSI;
- Execution of events not approved through the TSI;

Notice of club dismissal or de-ratification shall be presented to the club's president.

Upon receiving such notice, a representative from the club will be permitted to appeal to file an appeal to the TSI President.

APPEALS

Any student club may appeal the decision made by TSI for non-compliance. If the decision relates to safety and security of the students, it may not be appealed.

Appeals are presented to the TSI Board of Directors. One speaker will be permitted to speak for each side to present their case.

FACULTY ADVISORS/INDUSTRY ADVISOR

Every club must have a faculty advisor who donates their time and knowledge to assist club representatives when required. A close working relationship between the students and advisor is strongly encouraged so that policies are followed and to help maintain continuity from year to year.
